A Business of Caring

We're CIGNA HealthCare. It's our job to work with you to help care for your family's health.

We have the capabilities to do that job well.

CIGNA HealthCare is one of the largest, most stable health care organizations in the United States. More than 13 million people are already receiving their health care coverage through CIGNA HealthCare plans across the U.S.

This Guide provides a directory of doctors and other health care providers in this area who participate in the CIGNA HealthCare Preferred Provider Organization.

For more information about participating providers, visit our web site at www.cigna.com to view our online provider directory.

CIGNA HealthCare is a business of caring. That means we are committed to provide you with:

Access to quality health care at a cost you can afford.

Programs to help you keep healthy.

Protection against the unforeseen – to make sure that illness won't wreck your financial security.

Doctors who can explain, simply, what you want to know about your health.

Doctors whose offices are convenient to you.

The right to choose your doctor - and the same for each member of your family.

Coverage when you're away from home.

Provider Compensation

CIGNA HealthCare is committed to keeping you informed about matters related to your health care plan. For that reason, we offer the following description of the way that CIGNA HealthCare compensates health care providers (physicians, hospitals and other health care practitioners and facilities) that participate in our managed care networks.

CIGNA HealthCare compensates health care providers in ways that are intended to emphasize preventive care, promote quality care and ensure the appropriate and cost-effective use of covered medical services and supplies. CIGNA HealthCare reinforces this philosophy through utilization management decisions made by its medical directors and Health Services staff. CIGNA HealthCare employees are encouraged to promote appropriate utilization of covered health care services and to discourage underutilization.

The same criteria apply for physicians eligible to receive additional payments based on their performance. Physician compensation and incentives encourage the provision of medically necessary care. CIGNA HealthCare considers the physician's quality of care, quality of service and appropriate use of medical services prior to awarding any bonuses and incentives.

The methods by which participating health care providers agree to be compensated are described generally here. The amount and type of compensation a health care provider agrees to accept may vary depending upon the type of plan. For example, a hospital may agree to accept less for services provided to patients enrolled in an HMO plan than to patients enrolled in other types of plans. In addition, CIGNA HealthCare may attempt in various ways to promote the use of those participating providers that are the most cost-effective, while assuring quality and access to covered services and supplies.

DISCOUNTED FEE FOR SERVICE:

Payment for services is based on an agreed-upon discounted amount from the health care provider's bill.

CAPITATION:

By mutual agreement, network physicians, provider groups or physician/hospital organizations (PHOs) are paid a fixed amount (capitation) at regular intervals for each member assigned to the physician, group or PHO, whether or not services are provided. This payment covers physician and/or, where applicable, hospital or other services covered under the benefits plan. Medical groups and PHOs may in turn compensate providers using a variety of methods.

Capitation offers health care providers a predictable income, encourages physicians to keep people well through preventive care, eliminates the financial incentive to provide services that will not benefit the patient and reduces paperwork.

Providers paid on a capitation basis may participate in a risk-sharing arrangement with CIGNA HealthCare; they agree on a target amount for the cost of certain services and share all or some of the amount by which costs are over or under the target. Provider services are monitored using criteria that may include accessibility, quality of care, member satisfaction and appropriate and cost-effective use of medical services and supplies.

CIGNA HealthCare may also work with third parties that administer payments to participating providers. Under these arrangements, CIGNA HealthCare pays the third party a fixed monthly amount for these services. Providers are compensated by the third party for services provided to CIGNA HealthCare plan members from the fixed amount. Compensation arrangements vary but generally depend on overall utilization.

SALARY:

Physicians and other providers who are employed to work in a CIGNA HealthCare staff-model medical facility are paid a salary. The salary is decided in advance each year and is guaranteed regardless of the services provided. Physicians are eligible for a bonus at the end of the year based on performance, which is evaluated using criteria that may include quality of care, quality of service and appropriate and cost-effective use of medical services and supplies.

BONUSES AND INCENTIVES:

Some providers may receive additional payments based on their performance, which is measured using criteria that may include quality of care, quality of service and appropriate and cost-effective use of medical services and supplies. Providers may also receive financial and/or nonfinancial incentives that promote utilization of cost-effective participating providers (such as hospitals, labs, specialists and vendors) and covered drugs and supplies.

PER DIEM:

A specific amount is paid to a hospital per day for all health care received. The payment may vary by type of service and length of stay.

CASE RATE:

A specific amount is paid for all health care received in the hospital for a given hospital stay (such as for a normal maternity delivery).

If you would like to find out which compensation method applies to services you receive from a provider, just ask the provider's administrative staff. CIGNA HealthCare Member Services is available to help with general questions at the toll-free telephone number on your CIGNA HealthCare ID card.

CIGNA LIFESOURCE Organ Transplant Network®

CIGNA HealthCare offers you access to today's innovative and technologically advanced options for organ transplants. As a CIGNA HealthCare participant, you'll be able to access the CIGNA LIFESOURCE Organ Transplant Network®, a network of participating hospitals which provide organ transplant services. Developed by a team of respected medical professionals, the network includes leading hospitals and medical centers throughout the United States.

As part of a review program, each transplant facility is evaluated to be sure that it meets our standards for:

Acceptable patient outcomes.

Reasonable patient waiting periods.

Friendly atmospheres for patients and their families.

In some instances a travel allowance is offered as a feature of the program. Please be aware that most of these expenses are usually considered taxable income. Consult your tax advisor for more information.

For more information on the CIGNA LIFESOURCE Organ Transplant Network® program, call the CIGNA HealthCare toll-free care line. Registered nurses will be able to answer your questions with knowledge and sensitivity.

NOTE: Other services not associated with the transplant which are provided by participating hospitals may not be covered by your in-network benefits.
